### FRIDA KAHLO'S GARDEN – Private Garden & Tram Tours

Our luxury motor coach departs at 8:00 am sharp and returns to Huntington approximately 6:00 pm. Enjoy a complimentary buttered roll and juice as we travel to *The New York Botanical Gardens* in the Bronx.

Our first stop is *The New York Botanical Gardens*. Upon arrival, a guide will meet us for a 60-minute garden tour. The theme is "Frida Kahlo's Garden." This blockbuster exhibition is the first to examine Frida Kahlo's keen appreciation for the beauty and variety of the natural world, as evidenced by her home and garden and the complex use of plant imagery in her artwork. Featuring a rare display of more than a dozen original paintings and drawings, this limited six-month engagement recreates the iconic artist's famed garden and studio from her lifelong home in Mexico City.

Lunch is on your own in the *Pine Tree Café*, offering a wide selection of sandwiches, paninis, soups, signature salads, Neapolitan style pizza, desserts, pastries and more.

After lunch, we regroup and board a private tram for another 60-minute tour, which offers an amazing overview of the *Botanical Garden's* 250 acres. Explore the Garden's many historic buildings and spectacular collections of oaks, tulip trees and seasonal blooms. There will be time to visit the gift shop or take a stroll before heading back to the bus.

A short ride from the *Gardens* is the famed Arthur Avenue, where we will have time to walk the streets in search of fine Italian baked goods and oils to take home.

### EXPLORE THE TWIN FORKS OF LONG ISLAND

Join us for a relaxing day as we explore the North and South forks of Long Island. We begin at the Long Island Aquarium, located on the Peconic River at the base of the twin forks. We have two hours to explore the aquarium, home to the Western hemisphere's largest all-living coral reef display, butterfly exhibit, alligators, birds, otters, sea lions, penguins and more. Then we're off to the North Fork to Raphael Vineyards. A picnic-styled lunch featuring assorted wraps, salads, desserts and soft drinks will be served, with optional wine tasting after lunch. Then we'll visit the historic maritime Village of Greenport, where you will have free time to shop down Main Street, stroll through Mitchell Park and just enjoy the waterfront Village.

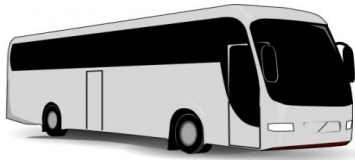

From there we will cross Shelter Island via the North Ferry and South Ferry. The South Fork welcomes us as we enter the waterfront Village of Sag Harbor, making our final stop at a local farm stand before entering the Village of Southampton. An onboard Tour guide will talk about The Hamptons and lead us down tree-lined streets with elegant homes bordered by the famous, perfectly groomed privacy hedges. As you enjoy the scenery, take notice of how much the twin forks differ, from the farms, wineries and laid-back lifestyle of the North Fork vs. the mansions, elaborate shopping, glitz and glamour of the South Fork. This is a relaxing, local day with many opportunities to step out, camera in hand and get some great pictures with friends.
